A SMART BOY.—Dr. Wayland, of Brown University, had a boy about six years old, who was anything but a fool. The doctor placed him under the care of one of the students, with the charge that he must not go out without permission from his tutor.

"May I go out?" at length enquired our hero.
"No," was the laconic reply.
A few minutes pause followed.
"May I go out?" again enquired the boy.
"No," was the response.
The miniature edition of the doctor slowly rose from his seat, took up his cap, and pushed for the door.
"Stop," said the tutor, "do you know what no means?"
"Yes," said Charley, "it is a particle of negation, and two of them coming together are equivalent to an affirmative."
His wit was his passport.

Sir Walter Scott once happening to hear his daughter Anne say of something that it was vulgar, gave the young lady the following temperate rebuke:—"My love, you speak like a very young lady. Do you know, after all, the meaning of this word 'vulgar?' 'Tis only common. Nothing that is common, except wickedness, can deserve to be spoken of in a tone of contempt; and, when you have lived to my years, you will be disposed to agree with me in thanking God that nothing really worth having or caring about in this world is uncommon."

Mr. John Clerk, afterwards Lord Eldon in pleading before the House of Lords one day, happened to say, in his broadest Scotch accent, 'In plain English, ma Lords;' upon which Lord Eldon jocosely remarked, 'In plain Scotch, you mean, Mr. Clerk.' The prompt advocate instantly rejoined, 'Nae matter: in plain common sense, ma Lord, and that's the same in a' languages, ye'll ken.'

A gentleman who was waiting upon a young lady, was making fun of a sack which she wore.
"You'd better be quiet, or I'll give you the sack," replied the lady archly.
"I should be most happy," was the reply, if you would give it to me as it is, with yourself inside of it."
It is said she did.

One of our exchanges has the following hit: The late Rev. Mr. Chapin being asked of what use elders were in church, replied, that it was said to give power to the minister. He was a unit, the elders cyphers; placed upon the right hand, they increased his power. 'But,' he added, 'my elders have got on the wrong side, and reduced me to a decimal fraction.'

'Father, did you ever have another wife besides mother?'
'No, my boy, what possesses you to ask such a question?'
'Because I saw in the old family Bible where you married Anno Domini, 1845; and that isn't mother, for her name is Sally Smith.'

A severe thunder-storm passed over Brattleboro', Vt., and neighboring towns, on Saturday evening last. The *Eagle* reports seven buildings in different places struck by lightning.
The man who changed his mind, probably got something more valuable by the operation.

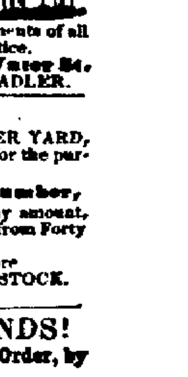

An Athenian who wanted eloquence, but who was an able and brave man, when one of his countrymen had, in a brilliant speech, promised great things, rose and said—
'Men of Athens, all that he has said, I will do!'

SUPERLATIVELY AGREEABLE.—To read and admire a long satirical article in the paper—to wonder who the unlucky wretch is, that prompted the annihilation—and discover just before you finish that it is *yourself.*

'Pa,' said a little fellow the other day, 'wasn't Job an editor?'
'Why, Sammy?'
'Because the Bible says he had so much trouble, and was a man of sorrow all his life.'

Congressional Convention—First District.

The Electors in the First Congressional District of Wisconsin, comprising Milwaukee, Waukesha, Walworth, Racine and Kenosha counties, who are opposed to the Nebraska Iniquity, and in favor of the principles announced in the "Republican" platform, adopted at Madison, July 13th, are invited to meet in their respective Assembly Districts and select Two Delegates from each to represent them in a Congressional Convention to be held at Rochester, Racine county, on Wednesday, the 6th day of September next, at 12 o'clock M., to nominate a candidate to be supported at the approaching Election

By order of the State Central Committee.

WM. A. WHITE, Chairman.

Milwaukee, July 24th, 1854.

THE DEBATE at Market Hall, last evening, between Messrs. Fratney and Domschke, was admirably conducted, the Hall being packed as full as it could be with attentive listeners.—According to agreement and advertisement by handbills and otherwise, Mr Fratney opened the debate and Mr. Domschke followed, and each spoke twice in turn afterward, when the meeting was pronounced adjourned, and at the same time Mr. Schoeffler was invited to come forward and speak, in order to do away with the effect of Mr. Domschke's last speech. It was a violation of rule, courtesy and argument, and shows that the Hunkers were unwilling to rest the matter at the close of a fair debate. Mr. Domschke sustained his positions triumphantly. Mr. Fratney conducted till the last, honorably. But Mr. Schoeffler, we are sorry to say, indulged in the usual rant of demagogues about abolition and temperance, and appealed to the lowest prejudices, and told his auditors that they could get all they wanted by sticking to the party. Mr. Schoeffler ought to know, for he has tried it. A large number left when Mr. Schoeffler began speaking. The discussion, we feel sure, will do much good.

School Lands.

We have had little to say about the conduct of the School Commissioners in selling 70,000 acres of the School Lands to Jas. Ludington. We think it is clear they did wrong on three counts. They should not have withdrawn the Lands from market any later than application was made for each specific tract. They should not have allowed the statement to go uncontradicted for weeks that all the School Lands were sold, thus discouraging the purchase of these lands by those wishing to become actual settlers. And they should *not* have sold 60,000 acres to a man in Ohio, nor 70,000 to Ludington & Co. For, tho' the Democratic Legislature has not prohibited the sale of these lands in large quantities to speculators, yet the Commissioners well know, that such sales are opposed to the wishes of the people and to the interests of the State. And it was in their discretion to sell these lands or not. And they could withdraw them for sale and have a reappraisement if they chose. As it is, the best lands have gone into the hands of speculators, and they will remain unsold and unsettled, until the searchers for homes are willing to pay an enhanced price. The people are thus taxed, not for the benefit of the School Fund, but to enrich speculators. This is our candid judgment of the matter.

MR. POTOSI REPUBLICAN, please correct your statement that we applied for the second writ of Habeas Corpus solely on the ground that we were indicted and arrested by the U. S. District Court. No such thing. We put it on the ground that the Act under which we were indicted and arrested was unconstitutional, and had been pronounced so by the Supreme Court itself. The *Republican* says:

"True, under its decision that this law in question is unconstitutional, no citizen of the State, white or black, is amenable to its provisions; and, and when the fact that a citizen is restrained from his liberty by it can be presented to the Supreme Court in a *legal form and manner*, it is bound by its own act to discharge him. But, in this case, it had no knowledge of the contents of the indictment, and no possible *legal* means of obtaining it."

Mistaken again. The facts *were* set forth in our application, and tho' we think as the *Republican* does, that they were bound to discharge us, the Court ruled otherwise.

PIOUS, VERY.—The *Wisconsin* praised up the Mai Fest, which was held on Sunday, and hoped the custom would be continued. But it is now horrified because Mr. Domschke spoke last Sabbath against the heathenism of American Slavery, and the wickedness of the Democratic party in extending and perpetuating it. If the *Wisconsin* had been published in Christ's time, it would have joined the Pharisees in rebuking him for healing the sick on the Sabbath day. Poor creature!

LUDICROUS.—To see "A German" in last evening's *Wisconsin*, charge our correspondent with cowardice for pretending not to know the exact time when the debate of last evening was to come off, which he said was fixed at the time the challenge was sent, and then after finishing his article adding a postscript, that "since writing the above he had ascertained" when the discussion was to be held. A shaken memory, that.

THE duties and and exigencies of the present time absolutely demand, that Whig and Free Soil presses which propose to coöperate with the Republican party in successful battle against the Slave Power, should cease all discussions and recriminations as to the past merits or demerits of the parties to which they formerly belonged.

Determined to be Miserable.—Brother Booth insists on it that the Supreme Court of the State cannot interpose to stay the judgment of Miller's Court, after it shall have been pronounced against him. We read Judge Smith's decision differently, and infer the matter is not so bad as would seem from Mr. B's showing.—*Kenosha Telegraph.*

Please read the review of our counsel published yesterday, and draw *another* inference.—We have felt no misery, personally, on account of the refusal of the writ of Habeas Corpus, and have only shared in the common regret that our State Sovereignty has been overridden by the District Court. Perhaps, it would have been a more peaceful way to have said nothing about the last decision, but liberty is not to be won by acquiescence in the usurpations of the Slave power, or in the concessions of Courts to Federal encroachments.

The people of the eastern counties, and the opponents of plunder and rascality throughout the State, owe Daniel Shaw a debt of gratitude they cannot soon pay.—*Waukesha Democrat.*

If any persons beside Hunkers and Slave-Catchers owe him him anything we hope they will pay up at once, for no one needs his dues more than he does. If his masters, whose dirty work he has done, have not paid him, he is but another illustration of the truth that slaveholders recognize no debts contracted with their slaves.

THE RACINE ADVOCATE, a paper published by a man named Clement—who has been accused of all the crimes known to the Criminal Calendar, and convicted of some of them.—*Waukesha Plaindealer.*

MR. CLEMENT was arrested and bound over to Court for a charge of aiding in the rescue of Glover—a charge which the Grand Jury ignored. And this is the foundation for such wholesale libels upon him by the Hunker press. Shall such a disgraceful warfare always characterize the Hunker Presses?

THE Hartford Republican, one of the ablest papers of New England, says:

"We are sorry to say that Mr. Booth was refused a writ of *habeas corpus* on his arrest for the third charge of aiding Glover to escape, and that the very Court thus refusing, but a few days before decided the Slave Law unconstitutional. We have no doubt they will frame some hair-splitting legal excuse for their conduct, but fear that *lack of courage is at the bottom of it.*"

A GREAT ANTI-NEBRASKA MASS MEETING, of the voters of La Salle and Grundy Counties, was held at Ottawa, Ill., on the 1st inst., to protest against the repeal of the Missouri Compromise, and to organize for the defeat of Douglas. A State Convention was recommended.—It will probably be held at Springfield, Sept. 13th.

HABEAS CORPUS CASE.—Messrs. Jas. H. Paine & Sons, the counsel for Mr. Booth, occupy five columns in yesterday's *Free Democrat*, with a statement of the reasons why the second application for a writ of Habeas Corpus was made, and an elaborate attempt to prove that it should have been granted.—*Sentinel.*

Well, what think you of the success of the "attempt"?

THE Second Congressional District of this State is composed of 26 counties, to wit:

Adams, Bad Ax, Buffalo, Chippewa, Clark, Crawford, Dane, Douglas, Dunn, Grant, Green, Iowa, Jackson, La Crosse, La Fayette, La Pointe, Marathon, Monroe, Pierce, Polk, Portage, Richland, Rock, St. Croix, Sauk, Trempeleau.

REMEMBER, that Stephen Arnold Douglas, father of the repeal of the Missouri Compromise, *voted against* the River and Harbor bill, in known violation of the will of his constituents.

MR. HUTCHKISS has purchased the St. Anthony Democrat office, and will remove it across the river to Minneapolis, where the publication of the *Democrat* will be continued.

German Meeting at Market Hall—The Battle Fought.

Market Hall was filled, last evening, to its *utmost capacity*, by an intelligent German audience. We never witnessed an assemblage, as numerous as that, behaving with so much dignity. Hats off, and no signs of applause or disapprobation, was the order of the evening, and was strictly adhered to by the audience. Mr. Kluppak, the President, opened the proceedings with a short, elegant and pointed speech, and conducted the meeting as impartial and energetic as could be desired.

Mr. Fratney opened the debate by a reply to the speech made Mr. Domschke Sunday last. He occupied three fourths of an hour. Mr. Domschke then had half an hour to reply, and after that both gentlemen spoke twice, fifteen minutes each, Mr. Domschke closing the debate. The latter having repeatedly referred to Jefferson and Washington, Mr. Fratney said, that as far as Washington was concerned, the same never had been a Democrat, and the Democratic party had never referred to him, but only to Jefferson, and also that this party had never deviated from the principles of Jefferson except in a few instances, where they were even more liberal now than Jefferson himself had been.

Even without Washington, who was treated by Mr. Fratney as a person of hardly any consequence, this Republic would have been founded. The flower of Mr. Fratney's speech was certainly his square assertion, *that he himself had been opposed to the Nebraska swindle*, which, at least, one half of his audience knew perfectly well to be untrue, but that he now would oppose the repeal of said bill, because he knew such a movement to be nothing but humbug.

Mr. Pierce found in Mr. Fratney an enthusiastic apologist of his outrage on Greytown, and if a war against Spain is to be initiated, which seems to altogether agree with Mr. Fratney's notions, not by Congress, but by the autocrat, Mr. Pierce, Congress must certainly vote the necessary funds.

Not a single point advanced by Mr. Domschke, in his speech, has been successfully refuted by Mr. Fratney, and it became clearly manifest that if the Hunkers have no better champion than Mr. Fratney, they will not have much chance for success next fall, provided Mr. Domschke can be induced to stay.

The meeting was declared adjourned by the President, and up to this time, though the assemblage was as large as the hall would allow, there had been no more noise than in a church during divine service, notwithstanding the intense excitement.

However, the Hunkers, feeling the deep and irreparable blow inflicted on them last evening, would not allow the audience to separate and carry home an impression so unfavorable to their cause. Mr. Fratney, setting aside all regard for parliamentary rules, now jumped from his chair, and declared everything that had been said against Mr. Pierce and his policy was false and without a shadow of truth. Mr. Schoeffler at once followed, which behavior on the part of the Hunkers so disgusted most of the audience that they immediately rose and left. The same was done by your reporter, who only heard enough of his speech to classify it among the old worn out and used up appeals to popular passions, that have always been the last resort of political desperadoes. * *

JUSTICE CRAWFORD'S OPINION.—The Opinion of Justice Crawford, in which he dissents from the views entertained by a majority of the Bench upon the Fugitive Slave Law, is given upon our first page. It gives an able view of this side of the question, which is just now rather unpopular in Wisconsin, but does not answer the objections in our mind so well taken and ably sustained by the Chief Justice and his associate. To say the least of it this Law must be amended, giving the fugitive the right of trial by jury before a legal tribunal, before it will be obeyed by the Northern States. The South must grant these hereditary rights, or expect to have this Law, obnoxious to the feelings and sentiments of the North, even with these amendments, become a dead letter. The sooner it is accomplished the better it will be for the peace of the whole country.—*Potosi Rep. (Dem.)*

PRES'T PIERCE ATTACKED BY A DRUNKEN MAN.—As President Pierce was leaving the Capitol, on the 5th inst., he was followed and accosted by a drunken man, named Jeffards, from Charleston. The President asked the man to take a drink, but he refused, and soon threw an egg at the President, knocking off his hat. He was arrested and committed to jail, where he commenced raving, and in a short time stabbed himself in the leg. The President declined prosecuting Jeffards, and he was released.

John Calhoun, recently appointed Surveyor General of Kansas and Nebraska, resides in Springfield, Ill., and the Chicago Journal says he is a clever fellow, and has been, for a long time, a beggar at the "King's gate" of Democracy, for office, and has always met with indifferent success until now.

A suit has been instituted against the Directors of the Jeffersonville (Ia.) Railroad, because the conductor of one of the trains refused to give passage on the cars to a colored person whose freedom was unquestionable.

DESTRUCTIVE CONFLAGRATION *at St. Louis.*—$160,000 worth of shops, stores, tools, lumber, and other merchandize, were destroyed by fire at St. Louis, on Monday morning last, on which there was an insurance of $137,000.

FOR CONGRESS.—Schuyler Colfax, editor of the South Bend *Register*, has been nominated Congress in the Ninth Congressional District of Indiana, by the Republican party.

The Brooklyn Advertiser has been discontinued in consequence of its editor, Mr. Tucker, having killed his child. He affects to feel a perfect indifference in regard to the fatal deed.

Wm. W. Phelps, Esq., editor of the Pontiac (Mich.) Jacksonian, has been apointed Register of the Land Office for the Redwing district of Minnesota.

FIRE AT DETROIT.—On Monday morning, several small buildings were entirely, and the Dutch Reformed Church partially, destroyed by fire.

FIRE AT CHICAGO.—The Albion Saloon, the best eating house in Chicago, was destroyed by fire on Monday morning last. Loss $5,000.

On Tuesday last, a drunken man was badly injured at Kenosha, by being thrown from his wagon while his horses were running away.

THE LATE STORM AND PHENOMENA.—The storm on Monday afternoon of 24th ult., will be remembered in this section for its terrible display of wind and lightning, and that beautiful after scenery when the rays of light suddenly burst forth from the West like John the Divine's vision of a new Heaven and Earth. The East seemed a vast, enormous reflector, casting back a crimson hue over all below. The very green foliage was reddened, and the distant view of scenery, at any other time obscure, was bright and grand, though unnatural. That "bow of promise" was of surprising perfection and beauty—all the colors being deep and each parallel ring distinguishable to a line, not blending its hues, after the manner of a common rainbow.

During the storm that preceded, the house of Mr. J. W. Kelly near Beetown, was struck by lightning, and several of the family received temporary injury.

Mrs. Kelly was standing near a stove, and a fraction of the fluid, while passing along a wire connecting the stove pipe and wall, left the wire and passed down her arm and side, burning and rending the clothes and paralysing her very much, the children were also stricken down; a little boy, our informant says, was thrown from one side of a room over to the other. They all recovered in a few days.

The storm seemed to have been more violent through a strip of country extending South from Beetown to the Mississippi, than elsewhere.—Forests of timber were uprooted in the neighborhood of Mr. S. Ashleys in Waterloo. Fields of grain were blown down—particularly corn.—*Grant Co. Herald.*

NEW PRINTING PRESS.—Mr. Stephen Brown, a Journeyman Printer, of Syracuse, has invented a press. The Standard says of it:

"By the model exhibited to us, a job in four colors can be worked at the rate of 500 copies per hour, and in elegant style. One impression only is required for the whole form,—the colors being given by different rollers, and the impression taken at once. Strange as it may seem, one letter can by this press be printed in one, two, three, or four colors, if desired; the body of the letter may be black, red or blue, and the outside shaded by an entirely different color.—As a press for printing in colors, the new invention is the most perfect thing ever exhibited in this country, and must effect a revolution in that branch of the printing business.

As a general press, it is quite as good, if not better, than the Adams. In our opinion it possesses several advantages over that press, even for book work, general jobbing, or newspaper work."

Settlement of Nebraska.

The St. Louis *Evening News* says there is a town now being laid out in Nebraska called Omaha City. It already contains five or six buildings, and more are in progress. A large brick building is to be put up for the use of the Legislature. After the survey is made, a large number of lots will be given to those who wish to settle and build upon them. A weekly paper called the *Omaha Arrow* is to be started there shortly. A St. Joseph paper says:

The people are crossing into this new territory with a rush. Town and city cites are being surveyed; houses, stores, and cabins reared; men, teams, and movables, and building materials are being hurried from one place to another; plows are turning over the broad green prairies, and everything is bustle, life and animation on the river borders. At every trip of the 'Marion,' her deck is crowded with anxious or curious beings, some seeking new homes, and others the pleasure of treading the soil of Nebraska.

THE CROPS.—After all they are not so bad. The wheat was a little too ripe when harvested, and a good deal was lost that way. A little grain has sprouted, but we imagine that on the whole there is a large crop of wheat well secured. The weather of late, has been favorable to the harvesters. Oats, too, has done pretty well. As to corn, it is higher and greener and deeper and more ears to the stalk, and more corn on the ear than ever before known in Wisconsin, and it is so far advanced that no one has the least fear of injury by frost.

Other things look well too, and take it all in all, the crops are good enough, if the prices will only get up to a good selling point.—*Janesville Standard.*

THE Buffalo Republic learns that an extensive secret organization is on foot among German born citizens, having the following objects in view:

1st. Opposition to negro slavery.
2d. Opposition to every species of religious bigotry.
3d. Opposition to Sabbath laws.
4th. Opposition to prohibitory liquor legislation.

The regular meetings of the lodges take place every Sunday, and special meetings are occasionally held when required.

A. Mr. S. residing in Fennimore, was anxious to sell his farm last fall at $800. In the spring he raised it to $1200, when a man came along and without knowing his price offered $1500. Mr. S. got alarmed and asked $3000, but the stranger would not give more than $2000. Mr. S. now fears some one will offer him $3000 and so he hesitates to offer to sell at less than $4,000.

The rise on land property has not been so extravagant as the above facts would seem to indicate, except in some instances.—*Grant Co. Herald.*

Immigration.—A crowd of Germans arrived in town yesterday afternoon from Sheboygan. They camped near the landing last night to await for a delegation of about twenty more, which are yet on the road. Their destination is farther North, probably Oshkosh, as they learn that it is so *exceedingly healthy* at that place.

One of the number died yesterday afternoon, with ship fever, others are also sick with the same disease.—*Fond du Lac Herald.*

DEAD BODY FOUND.—The dead body of a child, apparently some three or four years old, was found on the beach of the Lake a few rods south of the harbor, on Monday last. Whose it was or where it belonged, is not known here, but it is supposed to have been the child of an emigrant and that it had accidentally fell overboard. An inquest was held over the body, and the verdict, we learn, "accidentally drowned."—*Sheboygan Jour.*

The Cholera, with all its accompanying terrors has left our village we hope forever. No case has occurred in or near Lancaster since last Saturday a week. At present the health is as good, if not better, than before.—*Grant Co. Herald.*

Caution.—A little child in this city came near losing its life one day this week, in consequence of partaking of cobalt, which had been scattered about the house for the destruction of flies.—*Watertown Chron.*

Last year Jas. S. Living, a few miles North raised 755 bushels of oats from 9 acres of land, nearly 84 bushels to the acre. Mr. L. thinks the yield will not be as good this year as last.—*Grant Co. Herald.*

Lumber.—Norris's Saw Mill is now in full operation, making pine lumber in any quantity out of logs brought down from the North by Lake, River and Railroad.—*Janesville Standard.*

We hear that the steamer Michigan is disabled up the river, in what respect we have not learned.—*Detroit Trib., 7th inst.*

DROUGHT.—The corn crop in Southern Illinois, and in some parts of Missouri, is suffering severely for want of rain. In some sections, unless there is soon a favorable change in the weather, the farmers will not hardly get their seed.

Great Mob at St. Louis—Several Persons Killed and a Number Wounded.

A disgraceful mob occurred at St. Louis, on the afternoon of the 7th inst. It originated about 2 o'clock, at the polls in the Fifth Ward, between a party calling themselves Americans, (Anti-Benton men,) and a number of Irish, who had gathered around the Engine House. The fight was a general one, followed by skirmishing until late in the evening. The Irish fled when first attacked, but receiving additions to their numbers, made several stands, but were routed every time. The mob pursued them, attacking every coffee-house or other tenement supposed to contain foreigners, breaking the the windows and smashing the furniture badly. In the meantime, the military and police were called out, and did much to restore order.

The office of the *Anzeiger Des Westens*, the German Benton paper, was attacked in the evening, but the military dispersed the rioters before they did much damage. As many as one hundred pistol shots were fired by the Irish, and the other party returned the assault with thousands of stones. At least twenty men were seen lying bleeding and wounded so that they were insensible. Three men were certainly killed, and five or six more are thought to be dead by this time, from wounds received. A steamboat hand was killed instantly, and another, named Frank Freeman, was shot through the heart, and fell dead without uttering a word. We gather these facts from the *Democrat.*

BENTON DEFEATED.—The telegraph brings news of the probable defeat of Col. Benton.—Kennett, the Whig candidate, is reported to be elected by 500 majority. The St. Louis Democrat, of the 8th inst., gives the following returns:

Third Ward of St. Louis—Kennett, 1438; Benton, 379; Polk, 69.

Cohicks—Benton, 150; Kennett, 115; Polk 15.

Polk, (Nebraska Dem.,) gets only about 600 votes in St. Louis County. So it is evident that a majority of the Atchison Democrats voted for the Whig candidate, to make sure the defeat of Col. Benton.

All the Whig candidates, for county officers, in St. Louis Co., were elected. That County also elects 3 Whigs and 2 Benton Democrats to the Senate, and 6 Whigs and 7 Benton Democrats to the House.

MILLER, Whig, candidate for Congress in the Fifth District of Missouri, is supposed to be elected.

NORTH WESTERN POMOLOGICAL ASSOCIATION.—The next annual meeting of this Association will be held at Burlington, Iowa, commencing on the last Tuesday (the 26th) of Sept. next, at 10 o'clock A. M., and continuing four days.

Communications on any or all branches of Horticulture solicited—which, together with any boxes of specimens, may be directed to the "N. W. Pomological Convention, care of Messrs Avery, Burlington, Iowa."

Editors friendly to the cause are respectfully requested to notice.

By order, F. K. PHOENIX, Cor. Sec'y.

MORMONISM is said to be making very great progress in Denmark; there are now Mormons in the smallest hamlets. In the Isle of Amager, which is situated quite close to Copenhagen, almost all the women have adopted the worship of the Mormons. Five hundred Jutlanders, recently converted to Mormonism, are about to emigrate to the Mormon colony in the United States. The great ecclesiastical commission at Copenhagen has received orders from the Government to make researches as to the propagation of Mormonism in Denmark.

SCHUYLERIZING ON THE OTHER SIDE.—A great mercantile fraud has been discovered in London, similar in character to that of Schuyler in New York, and to about the same amount. Forged dock warrants to the extent of £400,000 have been detected, upon which money has been previously borrowed. Several of the London mercantile houses have failed in consequence.

Persons wishing to select lots, or burying places, will be accompanied to the Cemetery, free of charge, by Mr. Crouch, who has plats and is thoroughly acquainted with all parts of the grounds.

THE HORTICULTURAL EXHIBITION, which opens at 3 o'clock this afternoon, at Young's Hall, promises to be a great improvement in the way of vegetables, on its predecessors.—We saw some fine specimens there at 12 M., and the supplies were coming in rapidly. Don't fail to attend.

DROWNED.—Three fishermen were unceremoniously let down into the *aqueous* element by the upsetting of a small boat, near Kellogg & Strong's pier, this morning, and one of them, an Irishman, named Andrew White, drowned. They had been out to a small fishing smack, a short distance from shore, to anchor it, and were returning, and had arrived almost to the shore when the accident occurred. We learn that they were pretty well intoxicated, and that probably accounts for the upsetting of the boat, as the morning was so calm that it could not have been overturned by wind or wave. The deceased lived on the Lake shore, in the Third Ward, we understand, and leaves a family to mourn his untimely end.

Police Court.

McLaughlin, arrested some two weeks ago for the murder of a man named Barney McCaffrey, at Hogan's Tavern, in Granville, was arraigned for examination this morning. He says his real name is Daniel Sullivan. It being ascertained that the required witnesses were not present, the Justice adjourned the case till 2 o'clock this afternoon, and issued attachments to compel the attendance of the necessary witnesses.

Wm. P. Young plead guilty to a charge of obstructing sidewalk, and was fined $2 and costs, amounting to $4,08.

ARRESTED.—Under Sheriff Conover, arrived here on the cars yesterday morning, having in charge a man named Gaylord Blair whom he arrested at Allen's Grove, Wal. Co. for refusing obedience to a decree in chancery, requiring him to pay over a certain sum of money to his own sister. It appears that between 20 and 30 years ago, in the State of New York, Mr. Blair was appointed executor of his fathers Estate, and this heir claims that she has not been paid the full amount due her, while Mr. B. asserts that she received her share years ago. Blair is now in jail, and his counsel, Mr. Arnold, is endeavoring to procure his release.

WHITEWATER.—The following is the amount of produce and merchandize shipped from Whitewater during the 1st 19 days of the month July just passed:

19,360 lbs. Oats, 5,444 bush. Corn, 415 bush. Wheat, 45 bush. Rye, 5,000 ft. Lumber, 66 bls. High Wines, 4,000 lbs Paper Rags, 16 Hides, 6 Plows, 4 Scrapers, 1 car load & 1 bx Earthen Ware, 68 sacks & 4 bbls. Flour. Also many other things too numerous to particularize.

HARVEST IN DODGE CO.—We learn by a gentleman who left Fox Lake, Dodge Co., on Tuesday morning, that the farmers are well along with their harvesting, that the weather for the past few days had been extremely favorable. The wheat was all taken care of, and the oats about half cut.—*Sentinel.*

DEATH OF A RAILROAD CONTRACTOR.—Mr. D. Camp, of the firm of Camp & Gibbons, contractor on the Lake Shore Railroad, died at Waukegan on Monday afternoon, of Cholera.

The deceased was a resident of Cleveland, to which place his remains were taken by the Str. *Buckeye State.*

STR. CLEVELAND.—This str. was detained at Racine, yesterday, some two hours, in consequence of Capt. Robinson being arrested, and having to undergo an examination for an assault and battery upon a German, at that place. The Capt. was acquitted.

THE proprietors of Ward's line of steamboats have taken the precaution to provide against the delay usually caused by the breaking of shafts, by procuring extra ones of wrought iron from Ames' Factory, Falls Village, Conn.

FOR GREEN BAY.—The steamer Fashion will leave this port for Green Bay, to-morrow morning.

A regular meeting of the Common Council takes place this evening.

SUPERINTENDENT KILLED.—Mr. Blackbury Superintendent of the Nashville & Henderson (Ky. & Tenn.) R. R., was stabbed by one of the hands, an Irishman, a day or two ago, and died in a few minutes.

CONSTABLE FINED.—Constable Keefe of Chicago was fined, by the Police Justice of that city, $1 and sent to the city Bridewell 10 days for drunkenness on Tuesday last.

YELLOW FEVER.—The few cases of yellow fever, that have occurred at New Orleans, have given strangers stopping there, considerable alarm, and many have left.

DROWNED.—Two young ladies and two children were drowned in the river at New York, on the 9th inst., by the upsetting of a boat, containing 28 persons.

SAILED.—The British mail str. *Africa* sailed from New York, on the 9th inst., with 86 passengers, and $765,000.

SPICE MILLS BURNT.—The Spice Mills at Brooklyn, Long Island, were destroyed by fire on the 8th inst. Loss $10,000.

DELIRIUM TREMENS.—A subscriber at Ripon writes, that a man died of delirium tremens in that village, on Sunday, the 6th inst.

THERE were 28 deaths at Chicago on Monday, of which 16 were from Cholera.

At Detroit, on Saturday last, there were 20 interments—on Sunday 13.

MORTALITY.—There were 310 deaths at St. Louis during the week ending the 7th inst.

The jail at Racine is undergoing repairs.

The Sentinel in Error—A True Statement of the Case.

MR. EDITOR: The statement, in this morning's Sentinel, in regard to us is not true. It is not true, that the average time per day of the Engineers is but 6 to 8 hours. The time table shows this. The freight trains start from Madison at 40 minutes past 7 A. M., and arrive here at 5 P. M., when they run up to time. This makes 9 hours and 50 minutes running time.—But we have to get the engine ready before starting, and take care of it after we get in, so that we have to work 11 hours on an average, daily. It is not true that we are allowed for lost time, for when absent from sickness or other cause, the time lost is deducted. This is our *experience*, which is worth more than the Sentinel's *assertion*. Two of the leaders of the strike, were the first ones, and the only ones, to return to work at the old price.

FIVE ENGINEERS.

Milwaukee, Aug. 10th, 1854.

THE verdict of the *Sentinel* is, that the Superintendent, in refusing to advance the wages of the Engineers on the M. & M. R. R., "served them right."

Holloway's Pills—*Extraordinary Cure of Palpitation of the Heart*—Prof. Holloway, of 38 Ann Street, New York, had the pleasure of receiving from Mr. John Baker, of State St., Boston, a letter dated March 17th, 1854, which is subjoined verbatim; "Dear Doctor—Your Pills are entirely good; a few years ago I was under the treatment of Dr. ——, of this city; I suffered with palpitation of the heart to so great an extent, that I was frequently obliged to abstain from any kind of exercise, mental or bodily, for weeks together. A short time since, I was seized with violent sickness and spitting of blood; I of course went to my old friend, but finding him out, I went into the store of Redding & Co., of this city, for a newspaper, and accidentally saw several boxes of your Pills there, I purchased one, took a few doses, and the result was very favorable; by persevering with them, I am entirely cured, and have to thank you for now enjoying good health.

A CHALLENGE IN THE SUM OF $1000!
TO ALL SAFE-MAKERS IN THE UNITED STATES, who do not make or infringe upon HERRING'S or WILDER'S Patent Rights, which I have enjoyed and furnished to the public with all the improvements since they were first patented.
The result of several former trials, when *fairly* tested with other Safes and the numerous accidental fires which have brought them in contact with other Safes, has deservedly placed the Safes manufactured by me, far ahead of all similar protectors.
In order that the public may have a further opportunity of judging whether their verdict as rendered in favor of MY SAFES has been a correct one, I propose another fair trial upon the following conditions:
First—A committee of respectable citizens to be selected (as may hereafter be agreed upon) to conduct the trial.
Second—Each party accepting and entering upon terms in writing, to furnish said committee with a given number of names of parties who have purchased their Safes and now have them in use.
Third—The committee to select one of each maker's, of corresponding size, so that the maker cannot be allowed to manufacture one expressly for a *furnace or blow-pipe* heat, as much suspicion has always attached itself to all premeditated tests of Safes.
The public are not interested to know who CAN make a Safe to stand a blast furnace or blow-pipe heat the longest. But it is of vast importance to the whole commercial world to know who furnishes those which prove the best in a natural, accidental fire, such as one would be subject to in the burning of a store, house, factory or other building.
Fourth—The committee to conduct the fire, and render the report in writing for publication.

A CURE FOR ALL!
HOLLOWAY'S OINTMENT!
CITIZENS OF THE UNION—
You have done me the honor as with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already it has obtained more celebrity than any other Medicine in so short a period. THOMAS HOLLOWAY,
38, corner Ann and Nassau streets, New York.

ASTONISHING CURE OF SORE LEGS, AFTER NINE YEARS STANDING.
Copy of a Letter from Mr. W. J. Langley, of Huntsville, Yadkin Co., North Carolina, U. S., dated Nov. 1, 1853.
☞ READ HIS OWN WORDS. ☜
To Professor HOLLOWAY—
SIR: It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned in despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health, to my agreeable surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEY.

AN EXTRAORDINARY CURE OF A BAD BREAST, WHEN NEARLY AT THE POINT OF DEATH.
Copy of a Letter from Mr. R. Durant, dated New Orleans, Nov. 9, 1853.
To Prof. HOLLOWAY, 38, cor. Ann and Nassau Sts., N. Y.
Dear Sir: It is with heartfelt gratitude I have to inform you, that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature). I was told that nothing could save her; she was then induced to use your Ointment and Pills, when, in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your medicines from Messrs. Wright & Co., of Chartres street, New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, at that time not knowing your address at New York. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment, in most of the following cases:

Bad Legs,	Fistulas,	Scalds,
Bad Breasts,	Gout,	Sore Nipples,
Burns,	Glandular Swellings,	Sore Throat,
Bunions,		Skin diseases,
Chilblains,	Lumbago,	Scurvy,
Chapped hands,	Piles,	Sore heads,
Contracted and Stiff Joints,	Rheumatism,	Ulcers,
	Salt Rheum,	Wounds.

_ Sold at the establishment of Prof. HOLLOWAY, 38, corner of Ann and Nassau Streets, New York; also by all respectable Druggists and Dealers in Medicines throu'out the United States, in Pots, at 37½ cents, 27 cents and $1,50 cents each. To be had wholesale of the principal Drug Houses in the Union.
There is a considerable saving by taking the larger sizes.
N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

LOWLY PLEASURES.

BY BARRY CORNWALL.

Methinks I love all common things,
The common air, the common flower,
The dear, kind, common thought that springs
From hearts that have no other dower,
No other wealth, no other power,
Save love: and will not that repay
For all else fortune tears away?

Methinks I love the horny hand
That labors until dusk from dawn;
Methinks I love the russet band,
Beyond the band of silk or lawn;
And oh! the lovely laughter drawn
From peasant lips, when sunny May
Leads in some flowery holiday!

What good are fancies fair that rack
With painful thought the poet's brain?
Alas! they cannot bear us back
Unto happy years again!
But the white rose without a stain
Bringeth times and thoughts of flowers,
When youth was bounteous as the hours.

E'en now, were I but rich, my hand
Should open like a vernal cloud,
When it casts its beauty on a land
In music sweet, but never loud;
But I am of the humble crowd;
And thus am I content to be,
If thou, sweet muse, wilt cherish me.

A contemporary noticing the fact that the young dandies in Paris have begun the fashion of tying green gauze veils to their hats, to protect their delicate complexions from the darkening power of the sun's rays, says:—"They only want the feathers to make them real green *gauzlings*."

LUDINGTON & GRIDLEY,

HAVE commenced the SPRING CAMPAIGN in good earnest. They have on hand by very recent arrivals a LARGE, FULL and COMPLETE STOCK of

SEASONABLE GOODS,

Which, by good management, good luck, &c., they have obtained greatly ahead of their neighbors, and as none of their purchases were made until *after the depreciation in prices in the Eastern Markets*, their advantage in comparison with those who purchased Goods in March and April, will be some 10 or 15 per cent, all of which the purchaser shall have the advantage of, as our prices will be correspondingly low.
An enumeration of articles is deemed unnecessary. We name only a few of the prominent:

Calicoes from 6¼ to 12½ cts.	Black and colored Silks,
Ginghams 6¼ to 25 cts.	Chamelion Silks,
Printed and plain Lawns,	Plaid and striped Silks,
